The .85 Asian war has lasted long enough. Greece and the Anatolian state are with France and Great Britain in last Sunday: modifying and then enforcing the Treaty of Sèvres.

Lockwood Versus Craig

The part taken by Senator Lockvood in protecting the renters of New York from extortion is known to every tenant family. The saving to the public he effected is not capable of exact statement, but it is probable that except for his zealous and intelligent labors the average tenant of the city would be paying 10 per cent more than he now pays.

Investment in Senator Lockwood people of this city an opportunity of has richly paid the public. He is n one of those promisers who think the Chief Magistrate of the greatest their duty is done when they vermunicipal corporation in the world bally assail the "interests" and then

But aside from the housing materty, for or against ignorance, for ter there is another reason why Senor against corruption in government, ator Lockwood rather than his opfor or against graft, for or against ponent, Mr. Craig, should be elected decency, for or against a reduction Comptroller of New York, with three of the oppressive cost of living, for votes on the vital Board of Estimate or against higher taxation, for or and Apportionment. This reason is against an adequate school system, the fact that Mr. Craig is by temperfor or against the meanness of fos- ament an obstructionist. The course starts November 7.

Escaping the Sales Tax

Sir: Senator Edge, of New Jersey, adthe ground that it is in reality a voluntary tax. "No one," he says, "has to pay it unless he wants to, by purchasing." This will be good news to the hundred million consumers who have been worrying over the prospect of having to pay higher prices because of the proposed tax on consumption, that would add at least a billion dollars to the cost of merchandise bought each

sales tax will be to stop purchasing, as explained by Senator Edge. What the merchants of the country, who have been complaining of what is termed "the buyers' strike," will think of this brilliant suggestion remains to be seen.

Just how the adoption of a tax polment is not exactly clear, but Senator Edge deserves credit for suggesting a tax that nobody need pay, so long as he abstains from the pernicious habit of buying goods.

WHIDDEN GRAHAM, New York, Oct. 30, 1921.
